We do our best to ensure each child has at least one friend in his/her class. However, we also make it a priority to balance personalities, gender, academic and social needs, and ability within each class. Therefore, on occasion and despite our best efforts, we may be unable to honor all of your requests.

If you have information regarding your child's learning style or social needs which should be taken into account when we are arranging class groupings, please contact the religious school office.

Remember that there will be frequent occasions for all classes within the same grade to get together for joint activities.
